DONATIONS ARE STILL NEEDED!

**The Dollar-for-Dollar
Matching Campaign
continues...**

**There is still money
waiting to be
matched!**

Donations are still urgently needed! Please keep the donations coming to meet the goal of \$4,800,000 to pay for the entire project! Please help us provide the Christian education of our children and grandchildren. With God's blessing, and with timely and sufficient donations, we will be able to succeed in our mission as a Christian school. We pray that our community will give generously so that the necessary funds for this building project will be met, benefiting the current and next generations.
